YOUR OPINIONS MATTER! PARENT SURVEY 2017 - Link Below

Substance Prevention Alliance of Needham (SPAN) Survey

In collaboration with the Needham Public Health Department, SPAN is surveying parents and guardians of 6th through 12th graders living in Needham to learn more about their personal beliefs and perceptions regarding underage drinking and substance use among youth. SPAN would very much appreciate it if you could take a few minutes to take this anonymous survey and contribute your voice to those of other Needham parents. Your feedback will help to inform the direction of our coalition prevention initiatives. Please answer all questions with your **oldest child** in mind.

**To complete the survey, please use the following link:** [http://surveys.ssre.org/s3/NeedhamParent2017](http://surveys.ssre.org/s3/NeedhamParent2017)

Results will be shared in the community through the SPAN and the Public Health Department once responses have been collected. If you have any questions, please contact Catherine Delano, Substance Use Prevention Coordinator- Needham Public Health Department at 781.844.7029 or [cdelano@needhamma.gov](mailto:cdelano@needhamma.gov)

Please let me know if you have any questions. Thank you very much for your support.

Kind regards,
Karen
