

Dear Pollard Families,

I hope this message finds you and your family healthy during this time at home. To be honest, I miss seeing all of your children each day and long for when we will be back at Harris Ave! As an educator and parent of 2 middle schoolers myself, these are unique and interesting times! I thank you for your continued patience, understanding, flexibility and support as we work to determine how we can best support your children socially, emotionally and academically. I especially want to thank you for taking the time to listen to this communication and hope that it helps to clarify any questions you may have as we move forward in this remote learning environment.

As you may already know, this plan was developed based on the [Needham Public Schools \(NPS\) Remote Learning Plan](#) that Dr. Gutekanst shared with you last evening. I have also attached the plan, referenced in the recording, for your perusal.

Additionally, I have shared similar information with your students this morning through a [video and PPT](#).

Thank you, in advance, for your continued support and partnership. I hope that you are all well.

Tamatha
